**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am fortunate to live in a forward thinking community that partnered with a local ISP to install the infrastructure for fiber optic lines in all our new neighborhoods. Now I have gigabit internet speeds at a much lower price than Comcast or AT&T would charge for speeds 50 times slower! I love my local ISP! Please do not deregulate the telecoms and reduce competition. AT&T and Comcast can only offer a substandard product, higher prices, and horrible customer service.
